

Annual Report

2023

THE
|
WAY

Dear Church Family,

This report is designed to give a snapshot of some of what God has done in our community this last year. It's very difficult to summarize all that's happening in our community, but we hope this helps paint a picture of how we are playing our part in what God is doing across this city.

We are so grateful for all that God has done in 2023. From over 600 people finding community through Small Groups, to vibrant Alphas filled with people exploring (and re-examining) faith, to the palpable sense of God's presence in our Week of Prayer and Sunday gatherings, to the remarkable willingness of our community to give and serve sacrificially – on and on we could go. Children and youth ministry growing; people getting healed, baptized and encountering the love of Jesus; a staff team that works hard and loves one another; volunteers who show up ready to set the table for others to encounter God – what else can we say, but thank you.

Thank you to the Lord.

Thank you to the church.

We are full of faith and vision for what God will do in the next year. To us it feels like we are officially out of the church-planting stage and are maturing and deepening as a church community, all with the aim of more people being invited to follow Jesus, deepening their discipleship to Him, and participating in God's work of renewal in our city.

On these next pages, you will find highlights, stats, and stories from this past year of ministry together, but also information about how we are working to steward resources well and invest in the mission that God has called us to.

Our hope is that this report will be an encouragement to you as we continue to join with God in His work of bringing hope, joy, and restoration to Vancouver and North Vancouver. As you take time to read these pages, please pray for our church, our team, and our city.

We love you and we pray for you often.

Sincerely,

Jason, Chris, and Jeremy

Sunday Services

Every Sunday,

we gather in five services across three different locations: Strathcona, North Vancouver, and West Point Grey. Sunday Services are spaces for our church family to connect with one another, allow the teaching of scripture to shape us, give worship and praise to God, and be strengthened by His presence.

Highlights

Launched a Second Service in Strathcona

By the end of 2022, it was clear that our Strathcona site would need another service for its growing congregation. Starting March 26, we began the 11:15am service in Strathcona, opening the doors for more people to receive ministry.

Worship Nights

Throughout the year, we gathered at our West Point Grey site to worship together as a church. These evenings have been profound times of encounter, strengthening, and intercession.

Launched a Second Service in North Vancouver

In response to the growth of the North Vancouver congregation, we launched an 11:00am service at the start of September.

44%

growth in average weekly attendance across sites

825

people on average attending Sunday Services by end of 2023

395

individuals who have volunteered on a Sunday

“Two years ago, I walked through the doors of The Way North Vancouver and my life has never been the same. The people I have served alongside are filled with such compassion and care for others; it has truly been a blessing to get to know them. My heart’s desire is to see our community at The Way Church continue to hear about Jesus, meet others who love Jesus, and for them to experience Jesus.”

– Judy

“The worship felt so powerful from many open hearts in true gratitude for God. Whatever I was worried about that day slipped away and I felt so safe and loved by the potent presence of the Holy Spirit in the room. My prayer life was motivated by the invitation to receive prayer during service. Worship nights in the summer were a place to lay everything down in the freedom of surrender to God, which was beyond transformational for me. The Way has reflected the person of Jesus as our rock by encouraging me through many difficult life transitions to come out of isolation and into more community.”

– Magnus

“The Way has been a testimony of God’s provision in our lives as we moved to Vancouver slightly over a year ago. The community is one that we never knew we needed and being a part of it has been so life-giving. It is indeed a blessing and privilege to be a part of a church that is Christ-centred. We feel so loved and are encouraged to love others better.”

– Benny & Celeste

“I left that service feeling like everything had been handcrafted for me. I do realize that it wasn’t, of course (I hope I am not that self-centered), but it felt like exactly what I needed. I left feeling closer to God and like the inner war that has been waging inside me was at peace after close to ten years. I felt validated in my journey with God, and hopeful that I could continue forward on a path of hope.”

– North Vancouver Attendee

Small Groups

Connect.
Grow.
Serve.

Our Small Groups are centred around the values: connect, grow and serve. We are committed to creating environments where relationships develop, individuals dive deeper into discipleship to Jesus, and serving becomes a natural bi-product of healthy community. We are seeing this happen over time, around tables, around meaningful conversations, and alongside committed people.

Highlights

Small Group Pastors Retreat

In January we hosted our first ever Small Group Pastors Retreat. 44 of our leaders gathered at Barnabas Landing for what was a meaningful time of training, alignment, connection and refreshment.

Launched the Small Group Leadership Team

In September we added another layer of care, accountability and support for our Small Group pastors by building a Small Group Leadership Team. Collectively, the Small Group Leadership Team visits every Small Group 1-2 times a year and ensures each Small Group pastor receives a personal pastoral touch point every 6 weeks. There are currently 8 individuals serving as part of this team.

14 New Small Group Pastors

This fall, we were able to launch another new season of Small Groups with 32 Small Groups and 14 pastors stepping in to lead a Small Group for the first time.

Letters to Small Group Pastors

Below are excerpts from letters that members from various Small Groups wrote to their Small Group pastors. The full letters were presented to our Small Group pastors at the Small Group Pastors Retreat.

“

Thank you

for supporting me during some hard days this year. I appreciate it so much. I've been looking for many years to find Christian friends who see me and who truly care. You and other leaders in our group made me feel seen and supported. You made me feel that I belonged and am valued. I can't thank you enough. I hope you know how special you are and how much of an impact you have had and will have on others. Thank you for taking on the responsibility of leading, and doing it with excellence.

“

You created a space

where we felt supported and free to have some honest faith talks. Small Group was always a highlight in my week. There were high highs and devastating blows this year, and you both stepped in to help me through those seasons. Thank you for leading with vulnerability.

“

We are so appreciative of your leadership and friendship

from the day we first arrived, the many prayers and check ins during N's hospital stint, the encouragement over our engagement, and the love and care we've felt in this married portion of our life. Thank you for being so faithful in your leadership of the group and constantly bringing our struggles and praises to Jesus. You both have such a wonderful gift of prayer and intercession and we feel so lucky to have been able to be touched by that.

Kids

Partnering with parents

The Way Kids is all about creating spaces and moments where kids can belong, and connect meaningfully with Jesus. We partner with parents in the discipleship of their kids through a variety of different ways like weekly Sunday programs, family-focused community events, Parent Resource nights, and the most epic summer kids camp ever.

Highlights

Kids Day Camps

Our whole church is invited into the adventure of serving our kids during our summer day camps. This past year we hosted “Mission: Deep Sea” in both North Vancouver and Fairview, seeing over 100 kids journey deeper in their understanding and experience of who Jesus is.

Launched Kids Ministry at 11:15am Service

This fall we launched The Way Kids Ministry in our 11:15am service in Strathcona. Thanks to an incredible team of volunteers, this ministry has continued to flourish with a growing group of kids gathering weekly.

95

“The reason our family decided to make The Way Church home was because of the Kids Ministry.”

– The Way Church Parent

“We have been learning memory verses as a family because our son comes home from Kids Ministry and teaches them to us!”

– Jen, Parent

Where students can grow in friendship, encounter Jesus, and learn what it means to follow Him together

The Way Youth is a place where students can be loved and known. We create environments for students to encounter God's love, engage meaningfully with scripture, and explore what it means to follow Jesus. We gather weekly, host retreats, and invite our students to serve the community.

Highlights

Launched Jr. Youth at North Vancouver

In February, we launched a Jr. Youth program during our 9:00am service in North Van. This has given our preteens (ages 10-12) a unique sense of belonging and provides them with a ministry that is meeting them where they are at in their journey. Jr. Youth is becoming a helpful bridge between our Kids & Youth ministries.

Split Vancouver & North Van Groups

To accommodate the increase in students last year, we moved from one youth group to two localized groups in Vancouver and North Vancouver. We gather locally each week, and all-together every 5 weeks for a joint gathering. This has led to stronger relationships, deeper discipleship, and a unique local identify for both groups.

Weekly Outreach to Sutherland Secondary School

We were able to partner with Youth Unlimited as they began a weekly drop-in program at Sutherland Secondary School, which is located right next to our North Van site. At lunch times and after-school, youth workers give away snacks, engage in conversation with the students, and gradually build meaningful relationships.

Alpha

Exploring life's big questions

Alpha exists as the front door of our church to those exploring and re-exploring what it means to follow Jesus. Alpha gives space for the curious, confused, skeptical and seeking to gather, share a meal, watch a film, and openly share their thoughts.

Highlights

Six Alphas, two locations

This year our team ran 6 different Alphas at both our North Vancouver and Vancouver sites. We had 3 semesters of Alpha, all with an Alpha Weekend, inviting 193 guests to journey through exploring life, faith, and Jesus together.

Launched Food Team

To help reduce the cost of meals and create capacity for more people to be invited into Alpha, we launched a volunteer Food Team. Thanks to our amazing Food Team, we've been able to save thousands of dollars in catering and meals, and provide 1958 meals at Alpha and other events.

Alpha Weekend

The Alpha Weekend is a weekend retreat to connect, play and rest while exploring the person and ministry of the Holy Spirit. During the weekend, many move from an intellectual or academic exploration of Christianity to an encounter and experience with the person of Jesus and the ministry of the Holy Spirit. It is an often life-changing, powerful time for people.

193

people explored faith through Alpha

1958

meals prepared & served by the Food Team

80

volunteers served on Alpha

“

It was during the first Alpha that I first opened my heart.

It was after the video where they talk about opening your heart. I had this weird black-out moment where I remember so vividly opening my heart to Jesus. And that was the spark to me becoming a believer.

– Sierra

“

I never felt forced to say anything.

I always sat in the back, like, 'don't ask me about anything'. I sat there, listening to everyone, but it wasn't until the second last session of Alpha that I wanted to share. That kind of environment made me want to let people know where I'm at, and what I'm really looking for. It helped me realize that what I was looking for was ultimately God.

– James

Freedom Session

Live a life of freedom and purpose

Freedom Session is a 21-week program that uncovers the roots of pain in our lives and invites Jesus Christ to heal those areas. Freedom Session deals with real issues: strained relationships, shame, depression, anger, fear, pornography, sexual woundedness or abuse, addiction, and more, taking participants through a journey towards healing and health.

Highlights

2022/23 Semester Graduation

27 individuals graduated from the fall/winter semester of Freedom Session. This was an impactful evening of hearing 8 different testimonies of life change. Each individual took many courageous steps to be vulnerable and bring things into the light. As a result, these graduates truly experienced freedom and were able to testify to it at this gathering in front of friends, family, and our church community.

Launched two Freedom Sessions in North Van and West Point Grey

Our team has become more convinced of the fruitfulness that comes as a result of Freedom Session, so we were thrilled to be able to host Freedom Session in two different locations this fall. 18 new facilitators were trained and 83 people signed up to participate in this 21-week journey.

127

“

Very early on in my Freedom Session journey,

God showed me the places in my life that I was trying to control and where I needed to let go and rely on him. He showed me how hurt and insecurity had made a home in my heart and where I was trying to overcompensate for that. Through this experience I discovered that community can be a safe place where trust is built and where the gospel can be lived out. Community can be a place where lies are exposed and our identity as a child of God is found. It took courage to be vulnerable, but as I was, healing came from experiencing God's grace and letting go of shame.

– Freedom Session Graduate

Partnerships

For the flourishing our city, country, and world.

The Way Church is one small part of a kingdom eco-system of individuals, organizations, and churches working creatively to participate in God's work of renewal. Our team works to build and strengthen partnerships with these organizations that are serving and responding to the unique needs and challenges locally and around the world. Our hope as a church is that we are able to highlight the amazing work our partners are doing and invite our community to learn more about, pray for, and get involved in this work.

Highlights

Serve Vancouver Day

In June, we organized our 3rd annual Serve Vancouver Day, where we had 168 volunteers signing up to participate in 16 different service projects partnered with 8 organizations that are doing impactful work in our communities.

Month of Generosity

Over the month of October, we journeyed with our entire church to bring awareness and raise support for 44 different ministries and individual partners who are doing kingdom work here in Vancouver, across Canada, and around the world. 226 households participated in giving during the Month of Generosity, and together we were able to raise \$160,824.44.

Small Groups Serving Projects

Throughout the year, Small Groups engaged in serving practically for needs in our city. This included neighborhood clean-ups, projects with our partners, and putting together Christmas hampers for children and families in Vancouver.

168

Through Month of Generosity

We were able to raise

\$160,824.44

to give towards

44

different ministries and individual partners including:

604 Network, Ally Global Foundation, Alpha Canada, CCLN, Daybreak Point Bible Camp, ERDO, Himalayan Life, Inner Hope, International China Concern, Intervarsity, Journey Home, Keats Camp, Kinbrace, Kurumbuka, Kuwasha, Lookout Society, NewStory Community, Pioneer Pacific Camp, Power to Change, Promise Vancouver, Camp Qwanoes, Sanctuary Mental Health, Soundlife Global, UCM, Union Gospel Mission, Wagner Hills, Whole Way House, Youth Unlimited, and more.

Leaning into God's resources

Our desire is that everything we do at The Way Church is soaked in and covered by prayer. Everytime we gather in different environments, prayer is part of the ministry that we do. More specifically, we host weekly gatherings to intercede for our church, city, and world, and in many of our gatherings we also carve out intentional space and time for people to receive prayer ministry. Our team's conviction is that as we pray, we lean into God's resources and not our own.

112

vettted and trained Prayer Team members

30

people on average attending weekly prayer gatherings

Highlights

Week of Prayer

We began 2023 with a week devoted to prayer and intercession. Throughout the week, we hosted online and in-person prayer gatherings and ended with a powerful night of worship and intercession for our city at our West Point Grey site.

Launched New Prayer Gathering in DTES

We want to continually create more spaces for prayer in our city. In September, we were able to launch a morning prayer gathering at Promise Vancouver located in the Downtown Eastside. We have felt it especially meaningful to spend time in prayer for the Strathcona and Downtown Eastside neighbourhood where we gather every Sunday.

Prayer

Ways we're seeing God move through Prayer Ministry

Sleep given to someone who had several nights of none

Depression lifted

Restoration in family relationship

Immediate peace in place of demonic harassment

Supernatural provision provided

People feeling seen and loved by God through words of knowledge

“

Through prayer ministry,

the Spirit is bringing the truth of who God is down to people's hearts in a way that only He can. We are seeing the Kingdom break forth; King Jesus still speaks, heals, restores, sees, and sets His kids free. We come with our faith, He comes with His kindness. Lives are being changed by the power of God and His love through prayer, and it is a deeply humbling and transformative thing to bear witness to His work.

– Katie, Prayer Team Member

The Way College

Developing leaders for the church in Canada

As a church, we feel called to do our part in raising up and equipping the next generation of leaders for the church in Canada. In response, we launched The Way College last fall, a 4-year accredited program designed to give students a comprehensive view of the Bible, a robust experience of Christian community, and opportunity to grow one's leadership within local church ministry.

Highlights

Launched The Way College

We officially launched The Way College as an accredited program in September, with 12 students beginning their journey into theological education and ministry training. We were able to obtain accreditation through partnership with Kairos University.

First Semester of The Way College

In the first semester of The Way College, our students were involved in 4 learning experiences including Ephesians, Story of Scripture, Spiritual Formation, and Missional Life. Alongside those classes, each student individually journeyed through Freedom Session, participated in a weekly chapel, and were in weekly cohorts.

Story of Scripture Scripture Immersion Retreat

As part of their Story of Scripture learning experience, the students were engaged in a close reading of the entire Old Testament narrative in a concentrated three-day period. Through reading aloud and listening to the Old Testament story, this learning experience is designed to develop a deeper appreciation of how scripture fits together and a fuller understanding of God's work of rescuing and renewing creation.

12

students attending The Way College

50

part-time students registered for Darrell Johnson's Genesis 1-11 course

140

hours of students participating in in-person learning experiences

“

The Way College has been a HUGE blessing to me,

especially in a time where I felt lost and indecisive of what step to take next. I love attending this college as the teachers are very educated and helpful, and constantly try their best to ensure that we are able to keep up with the workload. From the beginning, my peers have felt like family to me (the teachers as well), and that's just something you don't normally get at a public university. I find myself consistently excited to be apart of such a wonderful program and recommend it to anyone and everyone.

– Sophia, Student

“

Since attending The Way College,

I have learned so much of God's kindness and his redemption story regardless of our experiences in life. It has been a sweet time engaging in discussions with amazing people, and learning Biblical wisdom that has been translated from amazing teachers, to my head, and into my heart.

– Hannah, Student

“

The methodology in which the classes have been put together strengthens you

not just academically, but also brings long lasting, life changing spiritual formation to your soul. Having everything grounded in the local church and centered around Jesus Christ makes the college a perfect mix of deep theology, personal formation, ministry opportunities, and spiritual growth.

– Matt, Student

Other Highlights

Learning to Read the Psalms Seminar

Throughout the summer, our community spent time journeying through the Psalms. To further deepen our understanding of this book and learn how to get the most out of it, Darrell Johnson taught a seminar on Learning to Read the Psalms.

Women's Nights

This year we hosted two special gatherings for women at our church to connect with each other and with God. In the spring we had 230 women across all sites gather together for a beautiful time of worship and the Word. In the fall, we had our first ever Dinner Parties event, hosting over 200 women in 20 homes across the city to connect meaningfully in smaller settings over a meal.

Worship in the City Nights

Partnering with our friends at Westside Church and church: untitled, we were able to host thousands of people from across the Lower Mainland in two different worship gatherings throughout the year. These were powerful nights of praising God and interceding for God to move in and through our communities.

Serve Team

The ministry of The Way wouldn't be possible without our 500+ team members serving in different ways throughout the year. To create opportunities to celebrate together, get trained, and deepen our vision for serving, we hosted 3 different gatherings this past year. The Serve Team Rally in the spring was an opportunity to get re-envisioned, pray together, and celebrate specific members of our team. The Summer Party was a chance to connect and have fun together. And our annual Fall Launch Serve Team Rally was an exciting day of practical training for 200 of our team members.

Ministry Apprentices

As a part of our desire to raise up more leaders for the church in Canada, we invite young leaders from across Canada to join our team for 9 months as part of our Ministry Apprenticeship program. This year we were able to take on 5 apprentices to join our team, gaining hands-on ministry experience, skills, professional development, and opportunities to serve in meaningful roles.

Leadership

There are three primary expressions of leadership

at The Way Church: our pastoral team (elders), our board, and ministry leaders. These three groups shape the direction, health, and activities of our local church. Both the pastoral team and the board together, create a healthy and accountable leadership structure for our church community.

Pastoral Team (Elders)

Our pastoral team (elders) provide theological direction, give spiritual leadership, engage in pastoral care, implement church discipline, and safe-guard the theological, pastoral, and missional integrity of the church.

Board

The board is reflective of our status as a charity in Canada and makes up our membership as a registered society in British Columbia. It is made up of thoughtful, experienced, and godly members of our congregations. As a board they are responsible for approving and overseeing the budget and fiscal health of our church. They also provide accountability for our leadership team and elders, holding them to our church's Statement of Faith and Lifestyle Covenant. In addition, they create and maintain governance and policy which ensure the safety and health of our congregation and staff.

Ministry Leaders

Ministry Leaders include both staff and key volunteers who oversee ministry at The Way Church. They lead our day-to-day ministries and ensure that we hold to the values and direction set forth by the board and elders of our church.

Board Members

Jason Ballard

Jonny Lochhead

Michael Lloyd

Priscilla Nerling

Nicole Roberts

Our Pastoral Team is represented to the board by Jason Ballard.

Vision Builders

Vision Builders is a community of individuals within The Way Church who are passionate about fueling the vision for renewal in the Church of Canada. The community gathers, prays, and gives generously above and beyond regular tithes and offerings. The Vision Builders Fund is dedicated to church planting, church revitalization, developing the next generation of Canadian pastors, and strengthening churches across Canada.

2023 Starting Balance	\$13,687
How much was given	\$80,148
How much was spent	\$50,000
